

BECOME AN ENDORSED REFLECTIVE SUPERVISOR

BY ADDING YOUR EXPERIENCE AS A REFLECTIVE SUPERVISOR/CONSULTANT TO YOUR ENDORSEMENT!

January 2024 Family Specialists AND Mental Health Specialists can demonstrate that they meet the requirements and competencies of an Endorsed Reflective Supervisor (ERS) with a new add-on to their application. ERS qualifies you to provide RSC to I/ECFS and I/ECMHS.

Maintain Endorsement

at the category that fits your scope of practice
(Family Specialist or Mental Health Specialist)

Document

- Experience providing RSC: *Minimum of 1 year*
- RSC: *12 hours RSC about your providing of RSC*
- Training: *15 hours specifically on provision of RSC*
- References: *1 from your RSC provider, 1 from an RSC recipient*

=

Add ERS to your Endorsement

Provide qualifying hours to other professionals. Receive RSC from another Endorsed Reflective Supervisor (ERS) or I/ECMHM-C endorsee to maintain your Endorsement. *Use Endorsed Reflective Supervisor to be listed on your association's RSC registry.*

Are you already endorsed at a category that qualifies you to provide RSC?

If you are endorsed as Family Reflective Supervisor (I/ECFRS), you already meet the requirements for ERS! Your I/ECFRS application will automatically be adjusted in the EASy system to reflect this, and you can start using ERS now!

Mental Health Mentor- Clinical endorsees are still qualified to provide to all professionals, including other MHM-C endorsees and applicants.
